Leetcode

Education

Vishnu Institute Of Technology — **2020–2024**
Bachelor of Technology in Computer Science and Engineering — *CGPA: 8.19*

Sri Chaitanya Junior College — **2018–2020**
Higher Secondary Education — *CGPA: 9.11*

Challapalli E.M High School — **2017–2018**
Secondary Education — *CGPA: 9.7*

Experience

Santa Browser — **Feb 2025 – Present**
Quality Analyst — *Hyderabad, India*

- Used **JIRA** for defect tracking, test case management, and coordinating QA activities across releases.
- Validated **analytics and telemetry events** using **Requestly** and **Charles Proxy** to ensure correct event firing, payload accuracy, and data consistency across user flows.
- Performed extensive **API testing** using **Postman** to verify cashback eligibility, calculation logic, wallet updates, refunds, and cancellation scenarios.
- Verified cashback creation and reconciliation through the **Enacton Dashboard**, ensuring accurate tracking from multiple providers including **Admitad, Cuelinks, Ecomnia,CJ,Rakuten,Impact and Partnerize**.
- Executed **SQL queries** to validate user transactions, cashback status, provider responses, and backend data integrity.
- Performed some basic **UI and browser automation** for repetitive test scenarios using **Playwright**, improving test efficiency and regression coverage.
- Tested and validated **push notifications** across Android and Desktop platforms for correct triggers, content, and delivery timing.

Projects

Online Mobile Booking Store

- Developed a dynamic e-commerce website using HTML5, CSS3, JavaScript, Java Servlets, JSP, and SQL.
- Implemented cart functionality and responsive UI.
- Designed SQL database for customers, inventory, and sales.

Technical Skills

Programming Language: Java
Frameworks : Hibernate,Springboot
Automation tools: Playwright (UI & Browser Automation)
API & Backend Testing: Postman
Analytics & Telemetry Validation: Requestly, Charles Proxy
Databases: MySQL
Data Analytics & BI Tools: Superset, Redash
Web Technologies: HTML, CSS

Soft Skills

- Teamwork
- Quick Learner
- Time Management

Certifications

- **Java Certification** – HackerRank
- **SQL Certification (Basic & Intermediate)** – HackerRank
- **PCAP: Programming Essentials in Python** – CISCO
